## Message from the President

Dear Friends,

The last three years have been one of the toughest phases in human civilization. We had to battle a disease that appears in such a devastating form once in 100 years.

It threw a spanner in our plans to take CAB to the next level. But it did not break our spirit. We lost a lot of fellow members and we still miss them. We knew we would find a way back into life and with that hope we adopted and adapted to get ready for the post-covid world.

While we became the first state association to hold a tournament in bio-bubble with the Byju's T20 league in 2020, we also made sure that all the stake-holders were inoculated

and completed double vaccination for everybody following the government instructions. Covid protocols were made and religiously carried out.

The early part of 2022 saw the fourth wave, but we went on undaunted. We tweaked the Mayor's Cup into an U18 tournament and completed it without any incident. The Association organized the Under-25 Emerging Players League to provide opportunity to the U-25 players before the selection of the Bengal U-25 team ahead of the commencement of BCCI U-25 tournament.

This tournament organized with a Pink team being featured by CAB to bring awareness about Breast Cancer, showing the humane face of the association.

During my tenure the Senior Bengal team has been playing with confidence reaching the final of Ranji Trophy once and last season walked into the record books when all top nine batsmen scored 50 runs in one innings in a first class match. It was a quarter-final match against Jharkhand. One of the most successful skippers of Bengal Laxmi Ratan Shukla was brought back as the Bengal coach to give Bengal team that bite and zeal to win that formed the trademark of Shukla. This year the team has begun with a spunk in Syed Mushtaq Ali Meet.

The Senior Women's team also gave a good account of themselves reaching the quarter-finals and semi-finals of the Senior Women's One Day and T20 meet. Breaking the ceiling of gender bias we have also begun a Women's format of the Byju's T20 meet making it an instant success. Thereafter we also appointed living legend Jhulan Goswami as the mentor for the Bengal Women's team so that she could bring in her invaluable experience to the state set-up.

The districts were not forgotten. Other than taking initiative for developing the infrastructure of the districts, the district T-20 Meet was also started featuring 18 teams in four groups. The

rest as they say was history as the tournament generated great excitement and gave district cricket a renewed boost.

We also completed the 3rd T-20 International Match between India and New Zealand under the covid protocols and thereafter organized three T20 matches between India and West Indies with crowd once again returning to the iconic Eden Gardens, we consider the temple of cricket.

On to some administrative matters. The biggest challenge was to change the aging metal halide bulbs with the new and more advanced lights and lighting technology. The Association arranged visual inspection and investigation of all four towers from ground level to the top including light frame structure, staircase, all landings lift surrounding cage. Through tender process, a consultant was engaged for upgrading tower light luminaries from Metal Halide to LED. All the tower lights were connected centrally by a DMX system making the Eden lights one of the most advanced floodlight systems in the world.

The lighting system created a hypnotic ambience when used for the first time during the opening match Legends League Cricket on August 16. As the lights danced and bounced about the stadium to throbbing pulsating music, the Eden gallery looked up in awe and joy.

While the seats of the Club House lower tier have been changed, a wide range of development activities that included setting up of modern canopies over the tensile members roofing on Blocks - F, G & H have started. Blueprint has also been drawn to upgrade and give a facelift to the interiors of B C Roy Club House that would ensure a swanky reception, a lavish lobby and a world standard media centre among other things.

A series of health camps and vaccination initiatives have also been taken to ensure good health of all the members and stake-holders.

Grants, dues and development support were given to all member clubs and district associations, besides acquiring land in Bolpur and North Bengal to build state-of-the-art cricketing facilities.

I can say with happiness that I leave the accounts in a healthy state, having been able to get most of the dues from BCCI besides generating funds through sponsored events.

But all of these would not have been possible without your constant support and inspiration. You lend your hand, you took the best step forward and you gave your best, to make my tenure look good even under the shadow of a pandemic. I would especially like to thank my team, the office-bearers, who stood behind me like a rock.

As I end my tenure I urge all the members of the association to stand united and help take Bengal cricket to newer heights. With the World Cup in India next year we need to work together and put our best foot forward to make it a roaring success.

Namashkar

**Avishek Dalmiya**  
*President, CAB*

## Message from the Vice-President

I hope all of you are keeping well,

This year we have been able to conduct all the Tournaments with active co-operation of our committee members and with their able support we also hosted Board matches very successfully.

I will also take this opportunity to thank our President Sri Avishek Dalmiya and Hony. Secretary Sri Snehasish Ganguly for their sincere dedicated work that has helped our Association grow towards the future.

Shri Avishek Dalmiya lead the Office Bearers and the Members of different Committees with immense pride and respect. His work ethics and dedication for CAB is exemplary and worth emulating.

Our sincere thanks to beloved Sri Sourav Ganguly for his able guidance and vision. His very presence lit-up the Eden Gardens.

Women's Cricket scaled great heights and continues to grow at a fast pace with the able support of Senior Women Members.

Beloved Jhulan Goswami made us all proud over the years and now will add great strength to our Women's Cricket in her new role.

Our Association is taking big steps towards renovation and face lift of Eden Gardens.

At CAB our endeavour has been to give priority to Cricket and we do everything possible to promote the game and take it forward with all sincerity.

**Naresh Prabhulal Ojha**  
*Vice-President, CAB*

## Message from Hony. Joint Secretary

I take this opportunity to thank each and every member for their support and cooperation so that we could sail smoothly through these troubled times.

Even amid the pandemic we have been efficient enough to complete all the tournaments. The junior and Women's teams have done well in the last season. We have been able to give Women's cricket the kind of attention it required with Probal Dutta taking over as chief coach. Besides, Jhulan Goswami has also come in as the mentor for the girls.

Quite a few of the girls from Bengal are now a regular feature in the Indian women's team.

All of this was possible under the leadership and guidance of President Avishek Dalmiya and Secretary Snehasish Ganguly. Their active help and vision have made my task lighter.

In the end I wish you all good health and hope we will return to normality soon.

**Debabrata Das**  
*Hony. Jt. Secretary, CAB*

## Secretary's Report

Respected Chairman, Dear Friends and Colleagues,

It gives me great pleasure to welcome you all to the 91st Annual General Meeting and would like to take this opportunity to extend a warm welcome to all of you. Throughout the pandemic we had faced many challenges and now we are excited to return to our normal life. We are thrilled to be back playing cricket and the Cricket Association of Bengal feels privileged to host you today. Your excellent contribution towards all round development of cricket is noteworthy. It would have been difficult to navigate cricket in right had it not been for your continuous cooperation. The members of The Cricket Association of Bengal have always worked together to achieve a common goal in order to take cricket to great heights.

This year (2021 - 2022) we are pleased with the achievements of our players in various age groups in national level although I must add there is always place for improvement. I would like to take this opportunity to mention a few of our achievements this year. Our Senior Men's Team led by Abhimanyu Easwaran gave a good account of themselves in the group stage and became one of the Semi Finalists in Ranji Trophy. The Sr. Women's Team displayed spirited game in the One Day Tournament and qualified for Semi Final match but luck was not with the team as the match was abandoned due to incessant rain causing Indian Railways to advance. Our Under-25 team reached Qtr. Final stage being a group champion in One Day Tournament and dominated the league stage. The Bengal Under-19 team exhibited their talent in Cooch Behar Trophy and made sure to reach Qtr. Final stage. It may not be out of place to mention here that the Association has arranged thorough trials, nets for different age groups from time to time in the restricted period.

The Association had the privilege of hosting One T-20 International match between India and New Zealand and three T-20 International matches between India and West Indies including one Qualifier and Eliminator each of TATA Indian Premier League- 2022 matches.

It gives us immense pleasure that the Association has successfully completed all domestic tournaments playing 1127 matches without a single Covid case and in the midst of the amid restrictions imposed by State Government for Covid-19. The Association left no stones unturned to conduct the domestic tournaments following all Covid protocols and despite natural calamity. In the cricket season 2021-2022, the Final Matches of 1st & 2nd Division Championship Playoff along with One Day Tournaments were held at Eden Gardens, Moreover, Final matches of J. C. Mukherjee Memorial Trophy Tournament and N. C. Chatterjee Memorial Trophy Tournaments were held under lights at Eden Gardens. The Final match of Inter District One Day Tournament was also held at Eden Gardens under light. The Association also organized Final of Mayor's Cup and Under-18 Invitational Cricket Tournament in a befitting manner. CAB also organized 2nd edition of Bengal T-20 Challenge, Under-25 Emerging League along with inaugural edition of BYJU's Bengal Women's T20 Blast among 6 teams, Under-19 Women's Tournament consisting 3 One Day matches at Kalyani and two T-20 matches at Eden Gardens, Challenger tournament was held in Barasat involving rest of Senior and Under-23 girls in order to keep supply line ready. CAB had also undertaken District Uniform Coaching Programme for identifying fresh talents in Districts in Under-16 and Under-19 age groups to create a supply line for future.

Eden Gardens is considered as one of the best cricket facilities. Hence, Dr. B. C. Roy Club House is all set to modernize and uplift its image. Keeping its international standard, the Association has begun interior designing of the Club House, Player's Dressing Rooms and the Media Centre in the first phase. The work on the lower tier seats of the Club House has already begun while canopies will also be erected on F, G & H Blocks. We are also happy to announce that we have successfully replaced the old lights on our four towers with LED lights that work on the very advanced DMX systems.

Before we proceed with the detailed report, we have the sacred duty to remember those personalities who have left for their heavenly abode, but had rendered invaluable services to the game of cricket.

## Office Sports Federation

This year Office Sports Federation organized office league and tournament in association with CAB. CAB helped Federation with fixture, grounds and match officials. The matches were played according to the specifications and guidelines provided by CAB.

### UMPIRING

It is noteworthy that the Association has tried to take various positive steps to improve the standards of umpiring considering that the umpires play a pivotal role in conducting any cricket match smoothly and one wrong decision can change the scenario of the match. Before the commencement of the season, extensive discussions with the umpires were held for development of umpiring as well as imparting new laws. Without active help and cooperation of the umpires, the different tournaments organized by the Association cannot be completed successfully. More than 1127 matches at Kolkata and in districts were conducted with the active support of the umpires. All umpires submitted reports about the respective matches. Many unruly activities by the players and match officials came in light through the umpires' reports.

Seven umpires from the Association are selected to participate in the BCCI Umpires' Level - II Examination - 2022.

### OBSERVER

It is understood that the role of the Match Observers along with umpires is also important to conduct the matches and tournaments smoothly. Keeping in the mind the same the Association has updated the Observers about the Playing Condition of the Tournaments and any changes, if any, to be implemented from time to time. Besides, umpires carried out their duties actively under the supervision of Observers. The Observers intervened and have taken appropriate steps at the time of need. The Observers carried proper Light Meters to conduct the matches. Like earlier years the Observers did their jobs exceedingly well and no complaint was received. They were also required to report on the available facilities at the grounds before match including looking after the attendance of umpires and scorers.

On the basis of the Observers' reports, the Association has taken appropriate measures be it on disciplinary grounds or otherwise. The posting of Match Observers was done in a systematic manner by the concerned sub-committee of the Association.

### SCORING

There is no doubt that scoring is an integral part of a match. Hence, the posting of scorers was done scrupulously so that no complaint was received by the Association. Scorers of the Association, both manual and electronic, were alert about their jobs and no major mistakes were found. It was praiseworthy that the scorers attended the ground on time. Besides, classes and interactions were held for the scorers took place many a times in order to improve the scorers' agility and skills.

# Independent Auditor's Report to the Members of the Cricket Association of Bengal

## Report on the Audit of the Financial Statements

### I. Opinion

We have audited the financial statements of THE CRICKET ASSOCIATION OF BENGAL ("the Association"), which comprise the Balance Sheet as at March 31st, 2022, the Income and Expenditure Account for the year ended on that date and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required, in the manner so required, and give a True and Fair view in conformity with the Accounting Standards mandated by the Institute of Chartered Accountants of India ("the ICAI") and other accounting principles generally accepted in India:

- A. In the case of the Balance Sheet, of the State of Affairs as at March 31st, 2022 and
- B. In the case of the Income and Expenditure Account, of the Surplus of Income over Expenditure for the year ended on that date.

### II. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) recommended by the ICAI. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Society in accordance with the "Code of Ethics" issued by the ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

### III. Information Other than the Financial Statements and Auditor's Report Thereon

The Association's Management is responsible for the other information. The other information comprises the information included in the Annual Report including the Annexures thereto, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### IV. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### V. Emphasis of Matter

Attention is drawn, without modifying our opinion, to the under-noted matters:

- a. The Association's Fixed Assets Register is pending installation, resulting in our inability to comment on the reconciliation of physically available fixed assets with the book-records;
- b. Our reliance on legal opinion, on absence of tax liability in respect of any segment of the association's income.
- c. Pending reconciliation and confirmation of balances of receivables and payables.

#### VI. Responsibilities of Management for the Financial Statements

The Association's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the statutory provisions for safeguarding of the assets of the Society and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view in accordance with the applicable Accounting Standards and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Association's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless it either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

The Association's Management is also responsible for overseeing the financial reporting process.

#### VII. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing ('the SAs') will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

2. Reliance World Cup Accounts 1987, forming part of security deposit in liability side of the balance sheet includes Rs. 6,84,475/- (previous year Rs. 6,84,475/-) against Civcon Construction Pvt. Ltd. a party having commenced legal proceeding against the Association on alleged ground of forfeiting their due for non performance of the terms of contract within the maintenance period stated as wrongful. While the contractor has filed a suit in the Hon'ble High Court at Kolkata claiming refund of the security deposit with interest and compensation against loss of profit, the Association has filed counter claim for damage of

Rs. 4,50,000/- (previous year Rs.4,50,000/-) along with interest and cost apart from refuting the claim of the party. The cases are pending before the Hon'ble Court, Kolkata.

The Association has made provision for Rs. 8,15,228/- against said disputed liability on account of principal due in application of AS-29 issued by ICAI read with para A (7) of Significant Accounting Policies. There was no movement of provision during the year and timing of possible outflow of fund in this regard is not readily estimable.

3. For live telecasting the matches of HERO CUP, CAB conferred exclusive rights to TWI. DD claiming exclusive right of telecast of all matches in India refused to grant up-linking to TWI. CAB had to challenge the same in Kolkata High Court, which passed an order dated 12th November, 1993 directing grant of licence to TWI to telecast the matches. The Court also granted leave to DD to telecast in India the matches. DD was specifically directed that all collections of revenue on account of sponsorship or otherwise available for commercial purposes that would be realized by DD during the course of telecast shall be kept in a separate account and shall not be dealt with until further order. Ultimately the subject case went to the Apex Court that delivered the historic judgment setting down the laws and right of telecast of matches upholding the contentions of CAB. In course of hearing DD admitted having received a sum of Rs. 96,83,000/- (previous year Rs. 96,83,000/-) towards advertisement from telecast of HERO CUP Matches. The Apex Court also directed the Kolkata High Court to apportion the said amount between CAB and DD after hearing the parties. CAB has since filed application in the Kolkata High Court claiming 80% of the revenue received and/or realized by DD together with interest @18% per annum as well as penal interest @6% per annum and costs. Pending verdict of Hon'ble High Court, no income has been recognized in this connection.
4. RDG Interior Decoration Exterior Architecture Pvt. Ltd., a contractor entrusted to interior decoration, civil renovation & re-fabrication work, raised a bill for Rs.92,29,324/- (previous year Rs. 92,29,324/-) for it's work. After due joint verification by the qualified engineers/ surveyors of the Association and the contractor, the association's surveyor had recommended a payment of Rs. 50,28,787/- (previous year Rs. 50,28,787/-), which amount has been booked as expenditure in the accounts. Although the party had claimed the full amount, the Association is of the view that the payment made is adequate and no further provisions are necessary. Considering the above Rs. 7,71,213/- (previous year Rs.7,71,213/-) due from the contractor has been accounted for as advance considered good. Neither any provision has been made for the difference of bill amount.

The contractor has referred the matter to the Hon'ble High Court at Kolkata and the matter is sub-judice at present.

5. The Association has taken legal opinion on absence of tax liability in respect of any segment of its income.
