President's Message

Dear Members,

Good evening Ladies and gentleman, on behalf of the CAB I welcome you to the 93rd AGM of the association. This year was a very productive year so far as the administration and organizing of tournaments are concerned.

Firstly, we have successfully hosted all the five WC matches from 28th October to 16th November, 2023 a grand success. It is a great achievement for the association.

Now over to the domestic season. We had started our domestic season as early as November with a vision to have more matches and create more opportunities for the cricketers. We have introduced couple of new tournaments like Sub Division Sub Junior cricket competitions again after a gap of four years and also conducted Under-18 Inter District One Day tournament, which included 18 districts and two teams from Kolkata in the name of CAB President's XI and CAB Secretary's XI.

After planning for a couple of years this year finally we introduced Women's Club Cricket One Day & T20 Tournament, with initially 10 clubs and 150 number of women cricketers. This will definitely help to bring up more cricketers for the future and motivate more women cricketers to take up the game.

I am very happy to state that we successfully organised the much-awaited Bengal Pro T20 League. We also became the only state association to begin the league with eight men and women's teams. The inaugural edition saw eight franchises fight for glory. The tournament started on 11th June and continued till 28th June, 2024. Thankfully barring a couple of matches we had a smooth tournament despite holding the meet in June when monsoon sets in Bengal. All the matches from men's to women's were played in a competitive manner and I am happy that this is the platform from where talents in Bengal cricket will rise and shine every year.

We have also launched Vision 2028. The long term goal of Vision 2028 is to ready the future talents and integrate them with various Bengal age group squads. While Bengal's Manoj Tiwary was selected as the batting consultant, the medium pace department guided by former India pacer Venkatesh Prasad and spin bowling was taken care of by former India team leggie Narendra Hirwani. In addition, Dattatreya Mukherjee, Ajay Verma and Ashok Dinda were appointed to monitor the boys for rest of the season. As I end my speech, I would like to thank each and every member present here, along with my office bearers, committee members, backroom staffs, curators, coaches, support staffs and most importantly the players for coming together and giving your best to ensure Cricket Association of Bengal continues to be one of the premier cricket associations in the country.

Thank you.

Snehasish Ganguly
President, CAB

Message from the Vice-President

Dear Friends,

The Cricket Association of Bengal conducts tournaments at the district level in big numbers every season. A noteworthy point is that we were able to add a few more tournaments in our calendar year from the last session.

In the last season (2023-24), CAB organized 12 tournaments at the district level for both men and women and it was a successful one. A staggering 663 matches were played at district level in both men and women last season.

The Inter District Senior T20 tournament for men was conducted which had a total of 40 matches being played. The Inter District Senior Women's T20 meet was played featuring 43 players. The Inter District Senior One Day tournament featured 25 matches. The Inter District Under-15 One Day tournament saw 25 matches being played.

The Inter District U-18 Two-Day tournament also had 25 matches being played. The Inter District U-18 Women's tournament saw 25 matches being played. The Inter District U-15 Two-day tournament had 25 matches being played in the tournament. The Inter District U-14 Women's Zonal tournament saw seven matches being played.

The Sub Division School U-15 tournament held at District HQs had a total of 256 matches being played. The Sub Division Sub Junior U-15 had a total of 126 matches being played. The Dattu Phadkar U-15 Trophy had a total of 19 matches being played. The Inter District U-18 One-Day meet had a total of 47 matches being played in the tournament.

CAB also conducted trainings for all district Curators, also 'O Level' coaches training programme, training of physical instructors and trainers were organised. I am happy to say that in most of the age-group and senior level teams of Bengal, the boys and girls from district level have made the cut and are also making a mark.

I am also thankful to all the districts for their cooperation and initiative to organize all the tournaments smoothly. The standard of grounds, pitches, infrastructure, their food services to the players and lodging at all the districts have been praiseworthy.

Warm Regards

Amalendu Biswas
Vice-President, CAB

Message from Hony. Joint Secretary

Dear Members,

I am thrilled to see that the BCCI is conducting and giving same amount of exposure to women's cricket just like the men. The women's cricket tournament is going higher in numbers with each passing year and the competition between the girls is increasing. The women's teams of all age-groups in Bengal are doing well in the BCCI domestic tournaments and I hope they will give their best in the forthcoming season too.

There are a lot of talents in Bengal. The Under-15 tournament conducted by the BCCI is having a big impact in the women's cricket and also in Bengal. CAB President Snehashish Ganguly, Hony. Secretary Naresh Ojha, former CAB President Abhishek Dalmiya have also worked a lot in supporting these talented girls and I have seen girls from different districts are coming up and performing well.

We have also been successful in backing these talented girls, providing them with proper security and lodging at CAB to get better training and facilities. The club level women's competition was a new addition and much praised.

Best Wishes

Debabrata Das
Hony. Jt. Secretary, CAB

Secretary's Speech

Respected Chairman,
Dear Friends and
Colleagues,

A very warm welcome to all of you at the 93rd Annual General Meeting of the Association being held today and I am very much honoured to be with you.

To begin with, let me thank you for the confidence reposed and the support extended to the Association. It is your confidence and the support that motivates us to stay on the course. I want to assure you that your trust in our association is well placed and we are committed to upholding our values of quality, integrity and sustainability and I thank you for being a part of our journey. I am delighted to apprise you that we will continue to achieve a greater milestone and secure a brighter future for our Association. Your unwavering trust and support have been instrumental in growth and success of our Association, together we have navigated through challenges to make CAB a leading sports body in India.

We are proud to share with you some illustrative issues of the Association during the cricket season: 2023-2024 as follows:

It is our great honour to inform you that CAB has successfully and in a befitting manner hosted as many as 5 matches including a semi-final of the ICC Men's ODI Cricket World Cup – 2023 at the majestic Eden Gardens. We thank ICC & BCCI for giving us the opportunity as well as believing in us. We also thank our members of the association for extending their cooperation and putting their hard work to make the event successful. The CAB renovated the players' dressing rooms, press box,

media box, corporate box, hospitality box etc. in a befitting way which was lauded by the ICC & BCCI recee team who visited the Eden Gardens prior to the World Cup.

In the cricket season 2023-2024 Bengal Senior Men's team played Qtr. Final and pre-qtr. Final in Vijay Hazare and Syed Mushtaq Ali T20 Trophy respectively. Men's U-19 team and U-16 reached pre-qtr. Final and Vijay Merchant Trophy and in Cooch Behar Trophy. Women's teams also performed very well as Senior Women's team played semi final in T-20 Tournament. Under-23 women's team reached semi final and pre.qtr. final in One Day Tournament & T20 tournament respectively. Under-19 women's team played Qtr. Final in T20 Trophy and U-15 Women's team reached semi-final. We wish them a very best for the next season.

It is very much significant that the Association completed practically all domestic tournaments in its calender in the cricket season: 2023-2024. This year, CAB introduced Inter District U-18 (Men's) tournament and also resumed Sub Division Sub Junior (U-15) Tournament after a gap of 4 years. Most of all Final matches relating to CAB tournaments including Mayor's Cup were held at Eden Gardens.

It is a noteworthy fact that CAB successfully hosted inaugural edition of Women's Club Cricket League Tournament where 10 clubs and 150 women's players participated. This tournament has been added and henceforth will be played every year to identify, promote and nurture talents from Bengal and will give great exposure to the high-octane T20 competition, the Women's

Premier League. This platform was created for the sake of women players to scale new heights and to bring forward a pool of talent and future stars. We would sincerely like to thank each participating club for being part of this tournament.

It is also a great pleasure to apprise you that as per plan, CAB organized franchise based Bengal Pro T20 League for the first time after doing a very careful study of similar league in India and abroad. All necessary permission from BCCI and the blueprint for organizing the tournament was in place. The motto of the tournament is to give budding talents from our state of West Bengal the much-needed exposure and the opportunity to play absolute professional cricket. Total 8 franchise teams owned by esteemed corporate house participated in the tournament and each franchise team had both men's and women's team as per the criteria and pool provided by the CAB for the inaugural year. The players were selected by the franchise through robust draft process from various categories including Bengal Seniors to players from district catchment areas as per the guidelines provided by the CAB. The CAB appointed Arivaa Sports Private Limited as an exclusive Management Partner to organise the tournament professionally much in the lines of the IPL to give the players, support staff and officials the taste and the best of the experiences of professionals. The CAB also created an official website www.bengalprot20.com for the official social media handling the League on all major platforms to engage extensively with fans. The teams in Bengal Pro T20 League were named after cities/districts of West Bengal having multiple districts as their catchment area, made the league very inclusive and reaching out to every nook & corner of the State. Each team comprised of a squad of 18 players for men and 16 players for women, that is a total of 272 top cricketers of Bengal had been able to showcase themselves from this platform. The CAB also introduced the Code of Conduct for all teams similar to the ICC & BCCI Code of Conduct and the entire League was monitored by the Anti-Corruption Unit of the BCCI. It is indeed a very good platform for the players to showcase their talent to the coaches and

spotters, and this could be a path for both men and women teams of the Bengal and also Women's Premier League in future.

The Cricket Association of Bengal is going to implement the 'Code of Conduct' in the forthcoming cricket season: 2024-2025 in compliance with all applicable laws to protect the spirit of the game. All Captains, Players, Coaches, Support Staff and Team Officials will automatically be bound by and required to comply with all of the provision of the said Code of Conduct.

The Association is to start its flagship project Vision – 2028 to unearth talent from all parts of state. The players would be selected by the Selectors and Talent Hunt Committee of the Association and would be trained under the Batting coach, Mr. Manoj Tiwary, Pace bowling coach, Mr. Venkatesh Prasad, Spin bowling coach, Mr. Narendra Hirwani and Assistant Coaches, Mr. Dattatreya Mukherjee, Mr. Ajay Verma and Mr. Ashoke Kr. Dinda.

Now, I, would sincerely like to thank our beloved Shri Sourav Ganguly for guiding us all and being of great support from time to time on various issues.

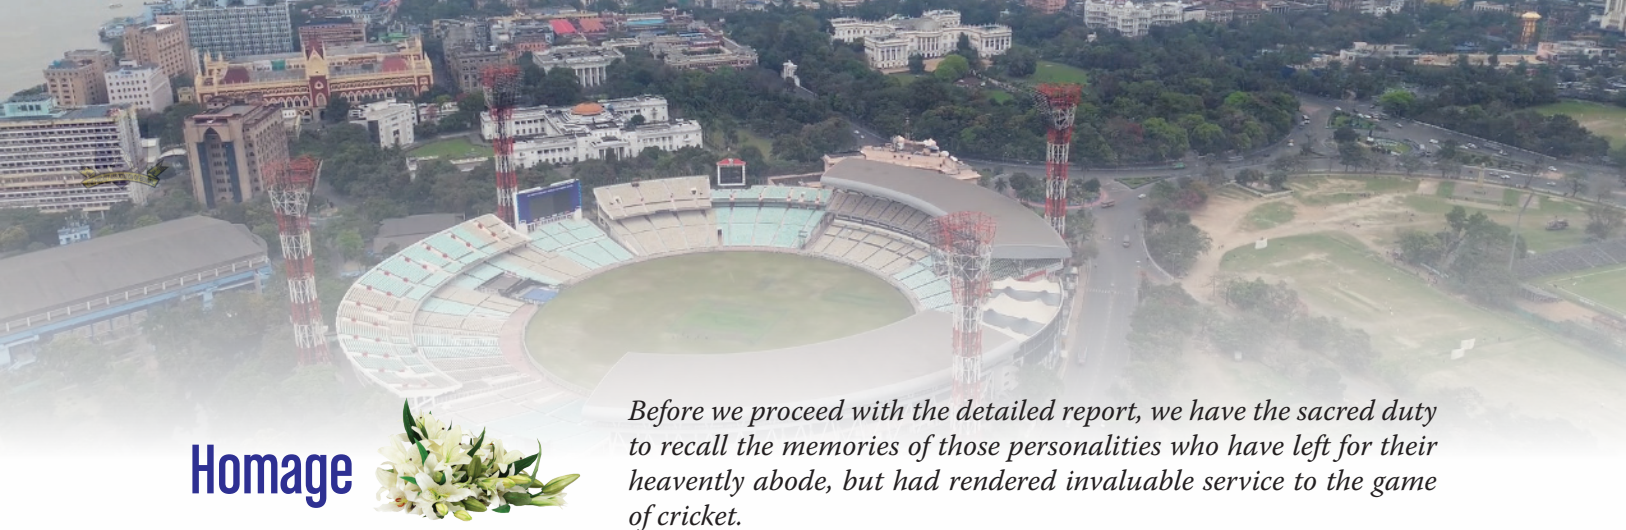

I would also sincerely like to thank our President, Shri Snehkish Ganguly, Office Bearers, Sr. Members and Member Colleagues for their excellent support. My sincere thanks to our Back Office Executive, curators and Grounds Men for excellent work they have been doing day in and day out.

My sincere thanks to Mr. Justice Subhro Kamal Mukherjee – Ombudsman, Mr. Samrat Sen – Sr. Advocate & Legal Advisor, Mr. Sushanta Ranjan Upadhyay, Electoral Officer of the Association for being with us.

My sincere thanks to Legal Consultant, M/s. Sinha & Co. and Auditors- M/s. PWC, Deloitte and G. Basu & Co. for being with us.

Thank you all,

Naresh Prabhulal Ojha
Secretary, CAB

Message from the Hony. Treasurer

Dear Friends,

The last season has been a successful one for Bengal cricket.

We have been able to increase the number of games and tournaments with each passing year, and 2023-24 season has been no different. We have added a couple of more tournaments which have been successful and this will help discover more talent for Bengal cricket in the coming days.

From Bengal senior men's team to women's team and the junior level, all the Bengal boys and girls have put up a fight in all tournaments in the last season. We will look to better our performance in certain areas and put up a much improved show in the upcoming season.

Moreover, I am thankful to CAB President Snehashish Ganguly for giving me the opportunity to look after the U-16 boys team. Our U-16 boys played well in the Vijay Merchant (Under-16) Tournament. We were placed in Group B along with Hyderabad, Madhya Pradesh, Goa, Saurashtra & Haryana. Our boys played outstanding brand of cricket and were group champion and stormed into quarterfinals. Unfortunately, in the last eight clash, our boys fought till the end but went down to Jharkhand by 49 runs. I hope that in the upcoming season, the boys will perform well and make us proud.

As the treasurer, I can say that CAB is investing for the betterment of the game for both the men and the women.

Also, the launch of the Bengal Pro T20 League by the Cricket Association of Bengal has been a huge success. This sort of T20 league is hugely beneficial to all the young and local players who are getting the opportunity to play alongside the senior players and also get a chance to prove themselves. I think, with each passing year and with each passing season, the popularity of Bengal Pro T20 League will be higher.

I would like to wish all the players, coaches, and support staff the best for the next season.

Lastly, I would like to inform all of you that the financial standing of the association is stronger than ever, details of which you will see in our financial statements.

Prabir Chakrabarty
Treasurer, CAB

Independent Auditor's Report on the Audit of the Financial Statements

To the Members of The Cricket Association of Bengal

I. Opinion

We have audited the financial statements of The Cricket Association of Bengal ('the Association'), which comprise the Balance Sheet as at 31st March, 2024, the Income and Expenditure Account for the year ended on that date and notes to the financial statements, including the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required, in the manner so required, and give a True and Fair View in conformity with the Accounting Standards mandated by the Institute of Chartered Accountants of India ('the ICAI') and other accounting principles generally accepted in India:

- A. In the case of the Balance Sheet, of the State of Affairs as at March 31st, 2024, and
- B. In the case of the Income and Expenditure Account, of the Surplus of Income over Expenditure for the year ended on that date.

II. Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) mandated by the ICAI. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Association in accordance with the "Code of Ethics" issued by the ICAI together with the ethical requirements that are relevant to our audit of the financial statements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

III. Information Other than the Financial Statements and Auditor's Report Thereon

The Association's Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance and take necessary action, as applicable under the relevant laws and regulations. We have nothing to report in this regard.

IV. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context

of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

V. Emphasis of Matter

Attention is drawn, without modifying our opinion, to the under-noted matters:

- a. The Association's Fixed Assets Register is pending installation, resulting in our inability to comment on the reconciliation of physically available fixed assets with the book-records;
- b. Pending reconciliation and confirmation of balances of receivables and payables.

VI. Responsibilities of the Management for the Financial Statements

The Association's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Association in accordance with the accounting principles generally accepted in India and the Accounting Standards issued by the ICAI. This responsibility also includes maintenance of adequate accounting records in accordance with the statutory provisions for safeguarding of the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view in accordance with the Accounting Standards and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Association's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless it either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so. The management is also responsible for overseeing the Association's financial reporting process.

VII. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing ('the S.A's') will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the S.A's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error,

as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Ltd. a party having commenced legal proceeding against the Association on alleged ground of forfeiting their due for non performance of the terms of contract within the maintenance period stated as wrongful. While the contractor has filed a suit in the Hon'ble High Court at Kolkata claiming refund of the security deposit with interest and compensation against loss of profit, the Association has filed counter claim for damage of Rs.

4,50,000/- (previous year Rs.4,50,000/-) along with interest and cost apart from refuting the claim of the party. The cases are pending before the Hon'ble High Court, Kolkata.

The Association has made provision for Rs. 8,15,228/- against said disputed liability on account of principal due in application of AS-29 issued by ICAI read with para A(7) of Significant Accounting Policies. There was no movement of provision during the year and timing of possible outflow of fund in this regard is not readily estimable.

3. For live telecasting the matches of HERO CUP, CAB conferred exclusive rights to TWI. DD claiming exclusive right of telecast of all matches in India refused to grant up-linking to TWI. CAB had to challenge the same in Kolkata High Court, which passed an order dated 12th November, 1993 directing grant of licence to TWI to telecast the matches. The Court also granted leave to DD to telecast in India the matches. DD was specifically directed that all collections of revenue on account of sponsorship or otherwise available for commercial purposes that would be realized by DD during the course of telecast shall be kept in a separate account and shall not be dealt with until further order. Ultimately the subject case went to the Apex Court that delivered the historic judgment setting down the laws and right of telecast of matches upholding the contentions of CAB. In course of hearing DD admitted having received a sum of Rs. 96,83,000/- (previous year Rs. 96,83,000/-) towards advertisement from telecast of HERO CUP Matches. The Apex Court also directed the Kolkata High Court to apportion the said amount between CAB and DD after hearing the parties. CAB has since filed application in the Kolkata High Court claiming 80% of the revenue received and/or realized by DD together with interest @18% per annum as well as penal interest @6% per annum and costs. Pending verdict of Hon'ble High Court, no income has been recognized in this connection.
4. RDG Interior Decoration Exterior Architecture Pvt. Ltd., a contractor entrusted to interior decoration, civil renovation & re-fabrication work, raised a bill for Rs.92,29,324/- (previous year Rs. 92,29,324/-) for its work. After due joint verification by the qualified engineers/surveyors of the Association and the contractor, the association's surveyor had recommended a payment of Rs. 50,28,787/- (previous year Rs. 50,28,787/-), which amount has been booked as expenditure in the accounts. Although the party had claimed the full amount, the Association is of the view that the payment made is adequate and no further provisions are necessary. Considering the above Rs. 7,71,213/- (previous year Rs.7,71,213/-) due from the contractor has been accounted for as advance considered good. Neither any provision has been made for the difference of bill amount.

The contractor has referred the matter to the Hon'ble High Court at Kolkata and the matter is sub-judice at present.

However, the credit will be allowed as on the date of settlement of dispute by the deductor and hence the interest as applicable to deductee shall apply.

The Association is pursuing the matter for claiming the refund/ adjustment of Tax credit passed by the BCCI.
