President's Message

Dear Members,

Good evening to everyone. On behalf of CAB, I welcome you all to the 94th AGM of the association. The 2024-2025 season has been excellent in terms of administration and organization of tournaments.

Firstly, we successfully hosted the India vs England T20 International match on January 22, 2025. Before the start of the match, CAB paid tribute and honoured the incredible achievements of valiant military war hero Col N.J. Nair and women's cricket icon Jhulan Goswami by unveiling spectator stands at the iconic Eden Gardens as a testament to their immense impact in their respective fields. The Association would like to thank the Army for their support towards this initiative.

CAB also felicitated and honoured wicket-keeper batsman Wriddhiman Saha for his immense contribution to Indian and Bengal cricket.

Coming to the local season. For the first time ever, CAB local season began as early as October with the Inter District Men's T20 Open Tournament getting underway in Murshidabad on October 25, 2024. I would like to thank everyone involved in making the grounds match-ready and getting all the preparations perfectly in place to begin the season well ahead of the schedule. The Association hosted a staggering 2524 matches of which 2095 matches were local while 401 matches in districts and 28 university matches across all competitions in our local 2024-2025 season.

Last season, we started the Under-16 Girls School Cricket Tournament with 8 teams - Behala Kishore Bharati Girls High School, Bhavans Gangabux Kanoria Vidya Mandir, Infocus India Public School, Jibreel International School, Purwanchal Vidyamandir, Rabindra Path Bhawan Academy, South Point High School and The Heritage School (Girls). We would like to thank all the eight schools for their participation which will also help motivate the other schools to come forward and participate in the next season.

I would also like to congratulate the Bengal Women's Under-15 team for being champions in the BCCI domestic One-Day tournament.

I am very happy to state that we organized the second edition of the Bengal Pro T20 League and we were the first league in the country to introduce full DRS in the league for all the matches at the Eden Gardens. This year, we also conducted the draft for the women's league for the first time. Last year, we had selected the women players evenly with help of selectors and women's committee.

The Bengal Cricket Academy, Kalyani indoor facility has got a grand makeover, with a new overhead shade, newly installed AstroTurf playing surface, new training nets and innovative lights which will surely be helpful to the players for training.

We would like to thank the MGR Sports Academy, Dubrajpur for giving us the opportunity to use their facilities for training in the off-season, specially during the rainy days in Kolkata.

I would like to thank the Apex Council members for taking important decisions on various issues.

As I end my speech, I would like to thank each and every member present here along with my office bearers, committee members, Apex Council members, backroom staffs for their constant support during my tenure as the President of the Association. I would also like to thank the curators, coaches, support staffs and the players who gave their best on the field to keep the association's flag flying high.

Lastly it is a great honour for me to serve at this great Association as a Secretary and then as the President for whom I have played for so many years from Under-15 to Senior Bengal.

I wish all of you the best for the upcoming season and wish you all Happy Puja.

Thank you.

Snehasish Ganguly
President, CAB

Message from the Vice-President

Dear Friends,

The 2024-2025 season has been a successful one for Bengal cricket.

The number of matches has been increasing with each passing year and the 2024-25 season saw a massive 2524 matches being hosted by the Association, of which 2095 matches were local while 401 matches in districts and 28 university matches across all competitions in our local 2024-2025 season.

The increase in the number of games has helped the Association discover more talent for the betterment of Bengal cricket.

Both our men's and women's teams across all age groups have done well in the 2024-2025 season. Our Women's Under-15 team emerged champions in the BCCI domestic One-Day tournament. While our senior women's team finished as runners-up in both the BCCI domestic One-Day and T20 tournaments.

From senior men's team to women's and junior level, all the boys and girls has put in their best efforts in all the tournaments last season. We have been successful in a few tournaments while we need to better our performance in certain areas in the upcoming season.

I would like to wish all the coaches, players and support staffs the best for the upcoming season.

Warm Regards

Amalendu Biswas
Vice-President, CAB

Secretary's Speech

Respected Chairman, respected ladies, dear friends, and colleagues,

Good evening and a warm welcome to all of you at the 94th Annual General Meeting of The Cricket Association of Bengal being held today, and it is an honour to be with you.

Firstly, I would like to thank each and every one of you for believing in us and extending your support towards the association. I thank you all for being a part of this wonderful journey. Your trust and support have been instrumental in the success of our association. And I hope that with such constant support, CAB will scale greater heights and will remain one of the leading sports bodies in India.

We are proud to share with you all some noteworthy happenings of the Association during the cricket season 2024-2025, which are as follows:

We successfully hosted the India vs. England T20 International on January 22, 2025, which was an exciting and thrilling match.

Before the start of the match, the Association paid tribute and honored the incredible achievements of valiant military war hero Col N.J. Nair and women's cricket icon miss Jhulan Goswami by unveiling a spectator stand at the iconic Eden Gardens as a testament to their immense impact in their respective fields.

CAB also felicitated and honoured wicket-keeper batsman Wriddhiman Saha for his immense contribution to Indian and Bengal cricket.

In the BCCI domestic season 2024-2025, our Women's Under-15 team displayed a brilliant performance to emerge champions in the domestic One-Day tournament. We wish all the members of the team the very best for the future.

The Senior Women's team was superb in the One-Day and T20 tournaments, finishing as runners-up in both the BCCI domestic competitions. The team made it more memorable by successfully chasing down a mammoth 390-run target to stun Haryana in the quarterfinal. In the semifinals, too, Bengal chased down a 300-plus score to knock out defending champions Railways. It was a remarkable performance by our senior women's team.

Our Women's Under-19 team finished as runners-up in the One Day Trophy while finishing as quarterfinalists in the T20 Trophy.

Our Women's Under-23 team also finished quarterfinalists in the T20 Trophy.

Our senior men's team played the pre-quarterfinals of the Vijay Hazare Trophy and reached the quarterfinals in the Syed Mushtaq Ali Trophy.

Our Under-19 men's team were runners-up in the Vinoo Mankad Trophy and booking a place in the final after 11 years, while finishing as quarterfinalists in the Cooch Behar Trophy

Our Under-16 men's team finished as quarterfinalists in Vijay Merchant Trophy.

In the season 2023-2024, CAB started the Women's Club Cricket One Day & T20 tournament with 10 teams each. It achieved a grand success, and a lot of talents came forward. We conducted both tournaments with 20 teams in 2024-2025 season. This helped motivate the young girls and gave them the opportunity to prove their skills.

I am very happy to state that after the success of the inaugural edition of the Bengal Pro T20 League, CAB organized the second edition of the Bengal Pro T20 League this year in rousing fashion. Last year, we selected the women players evenly with the help of selectors and women's committee. But this year, we conducted the draft for the women's league for the first time and successfully completed both the women's and men's drafts. The tournament began on June 11 with the men's match at the Eden Gardens, and the finals of both the women and men were held on June 28 at our iconic Eden Gardens. Despite the challenging weather this year, we were able to conduct the entire tournament smoothly. All the women's and men's matches were thrilling, and I am happy that more and more talent and stars are coming up through this league. Scouts from various IPL teams were also present for the matches to select the players. We would sincerely like to thank our franchisees for supporting the Bengal Pro T20 League in a big manner.

With an aim to nurture the future talent of Bengal and make them ready for all age-groups, the Vision 2028 program was initiated and it has been immensely successful in guiding the young boys and girls under highly skilled coaches. The fast-bowling department is looked after by former India pacer Venkatesh Prasad while the spin bowling is taken care of by former India leg spinner Narendra Hirwani. The batting department is looked after by Manoj Tiwary and Ashok Dinda taking care of the bowling part. Dattatreya Mukherjee and Ajay Verma monitor the talent for the rest of the season.

Now, I would like to sincerely thank our Hony President Shri Snehasish Ganguly, office bearers, senior members, and member colleagues for their excellent support. Our Hony President Mr Snehasish Ganguly has put in immense hard work in ensuring smooth working of our Association, and I am privileged to have worked alongside him.

My sincere thanks to our back-office executives, curators, and groundsmen for their outstanding work throughout the season.

I extend my heartfelt gratitude to the legend Mr Sourav Ganguly for his exceptional guidance and unwavering support to our Association for the last three years. His contribution to our Association and sharing of his vision for cricket in Bengal is exemplary. His invaluable insights, leadership and his ability to bond every member together have played a huge role in ensuring that our Association runs very smoothly. We wish him the best in all his future endeavours.

My sincere thanks to Hon'ble Justice (Retd.) Mr Jyotirmay Bhattacharya- Ombudsman, Justice (Retd.) Mr Ashim Kumar Banerjee – Ethics Officer, Mr Samrat Sen- Sr Advocate & Legal Advisor, Mr Sushanta Ranjan Upadhyay, Electoral Officer of the Association for being with us.

My sincere thanks to the Legal Consultant, M/s. Sinha & Co. and Auditors- M/s. PWC, Delloitte, and G. Basu & Co for being with us.

Thank you all.

District Uniform Coaching Programme 2025-2026:

The Cricket Association of Bengal (CAB) successfully launched the District Uniform Coaching Programme for the 2025–2026 season for both Women's and Men's, covering all 18 districts. The programme, which has now become an integral part of the player development structure, aims to ensure equal training opportunities for young cricketers across the state through a standardized coaching framework.

The initiative commenced in August 2025 with the appointment of qualified CAB coaches. A three-phase Coaches' Workshop was conducted in early August at Eden Gardens, Kolkata, focusing on technical, tactical, and administrative aspects of the programme. The workshops enabled coaches to align with the common coaching curriculum and methodologies to be followed uniformly across all districts.

The programme formally began with Women's Coaching on 17th August 2025, followed by Men's Coaching on 23rd August 2025. Camps were conducted simultaneously across all districts, with dedicated sessions for U-14 and U-18 girls and U-15 and U-18 boys. The structured training modules emphasized skill development, physical fitness, match preparedness, and mental conditioning, providing a comprehensive pathway for young talent.

The Inter University T20 Tournament was conducted this year under the supervision of the Technological Students' Gymkhana (I.I.T.), with matches held at the IIT Kharagpur Ground and the Bengal Cricket Academy Ground, Kalyani.

All affiliated units participated, with eight teams divided into two groups. The top team from each group advanced directly to the Final. The title clash, played under lights at the majestic Eden Gardens, saw Burdwan University defeat the Technological Students' Gymkhana to emerge as champions.

Ajoy Ghosh Memorial Trophy Tournament:

The Ajoy Ghosh Memorial Trophy Tournament, one of CAB's premier university-level competitions, was held under the joint supervision of the Technological Students' Gymkhana (I.I.T.) and Visva Bharati University.

The tournament featured eight affiliated universities competing on a league-cum-knockout basis. League matches were staged at the SERSA Ground, Kharagpur, and the Ashram Ground, Shantiniketan, while the knockout phase was hosted at the Ashram Ground, Bolpur.

In a thrilling Final, Rabindra Bharati University triumphed over Burdwan University to claim the championship.

Stadium

The design of the roofs above F, G & H blocks provided by M/s. S3M Design Consultants LLP has been approved by PWD Design Wing and there was no issue regarding design part.

It was proposed to take up the entire execution of Retrofitting work of balance columns and whole foundations of F, G & H Blocks by PWD. PWD assured to extend all kinds of technical support and guidance pertaining to execution of works. PWD also agreed to examine the BOQ of the DPR as prepared by CAB and would recommend if any changes are required. PWD will support in supervising the job time to time and will give their inputs as and when required. PWD would issue the required 'Satisfactory Certificate' after completion of the work.

It was also proposed that PWD would carry out the testing of procured about 250 tonnes materials which are lying as fabricated materials in the rented godown and another 150 tonnes materials have been lying for 3 years with M/s. McCoy Architechtrual Systems (P) Ltd. particularly the welding quality and would arrange to re-check the conditions of 18 columns which was strengthened earlier from CAB end during the time of World Cup in 2023. PWD Design Wing would recommend the testing pa-

rameters of the stacked materials. A committee would be formed including PWD officials to select the potential vendors for the balance Retrofitting work of columns & entire foundations.

Alternatively, CAB prepared the design for New Stadium of F, G, H& E blocks dismantling the entire existing structures. It reveals that this Retrofitting work is purely a make-shift arrangement until new construction takes place. Considering the proposed new construction in place of existing blocks, it was suggested by PWD to take into consideration the possibility of auction of the fabricated materials which are lying in the godown to avoid a huge expenditure for this make-shift arrangement.

Message from the Hony. Treasurer

Dear Friends,

The 2024-2025 season has been a successful one for Bengal.

With each passing year, we have been able to increase the number of matches and the 2024-25 season is no different. With the increase in number of games, we have been able to discover more talent for the betterment of Bengal cricket.

I want to thank CAB President Snehasish Ganguly for giving me the opportunity to look after the Under-16 boys team.

Our U-16 boys played outstanding brand of cricket in the Vijay Merchant (U-16) Tournament. We were placed in Elite Group E along with Maharashtra, Tamil Nadu, Pondicherry, Goa and Baroda. After playing superbly, Bengal finished as group-runners to enter the pre-quarterfinals. In the last-16 stage, Bengal bagged first innings lead against Rajasthan to make the quarters. Unfortunately, in the quarterfinals, Bengal fought bravely but went down to Mumbai. I wish the boys will perform even better in the next season.

As a treasurer, I can say that CAB is investing well keeping in mind the betterment of the game for both men and women.

The second edition of Bengal Pro T20 League was also a grand success. The league helped the players from Bengal showcase their talent. The league also gave rise to some incredible new stars. I hope the third season of Bengal Pro T20 League will be even bigger and better.

I would like to wish all the coaches, players and support staffs the best for the upcoming season.

Lastly, I would like to inform all that the financial standing of CAB is even stronger and the details of which you will see in our financial statements.

Prabir Chakrabarty
Treasurer, CAB

Independent Auditor's Report on The Audit of the Financial Statements to The Members of The Cricket Association of Bengal

I. Opinion

We have audited the financial statements of **THE CRICKET ASSOCIATION OF BENGAL** ("the Association"), which comprise the Balance Sheet as at March 31st, 2025, the Income and Expenditure Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required, in the manner so required and give a True and Fair view in conformity with the Accounting Standards mandated by the Institute of Chartered Accountants of India ("*the ICAI*") and other accounting principles generally accepted in India:

- A. In the case of the Balance Sheet, of the State of Affairs of the Association as at March 31st 2025, and
- B. In the case of the Income and Expenditure Account, of the Surplus of Income over Expenditure for the year ended on that date.

II. Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) issued by the ICAI. Our responsibilities under those Standards are further described in the "*Auditor's Responsibilities for the Audit of the Financial Statements*" section of our report. We are independent of the Association in accordance with the "*Code of Ethics*" issued by the ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

III. Information Other than the Financial Statements and Auditor's Report Thereon

The Association's management is responsible for the other information. The other information comprises the information included in the Association's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance and take necessary action, as applicable under the relevant laws and regulations. We have nothing to report in this regard.

IV. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

V. Emphasis of Matter

Attention is drawn, without modifying our opinion, to the under-noted matters :

- a. The Financial Statements are required to be presented in the format prescribed by the ICAI for Non-Corporate Entities;
- b. The Fixed Assets Register is pending installation, resulting in our inability to comment on the reconciliation of physically available fixed assets with the book-records;
- c. Balances of receivables and payables are pending reconciliation and confirmation.

VI. Management's Responsibilities for the Financial Statements

The Association's management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of the Association and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Association's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless it either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so. The management is also responsible for overseeing the Association's financial reporting process.

VII. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing ('the SAs') will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

While the contractor has filed a suit in the Hon'ble High Court at Kolkata claiming refund of the security deposit with interest and compensation against loss of profit, the Association has filed counter claim for damage of Rs. 4,50,000/- (previous year Rs.4,50,000/-) along with interest and cost apart from refuting the claim of the party. 3. For live telecasting the matches of HERO CUP, CAB conferred exclusive rights to TWI. DD claiming exclusive right of telecast of all matches in India refused to grant up-linking to TWI. CAB had to challenge the same in Kolkata High Court, which passed an order dated 12th November, 1993 directing grant of licence to TWI to telecast the matches. The Court also granted leave to DD to telecast in India the matches. DD was specifically directed that all collections of revenue on account of sponsorship or otherwise available for commercial purposes that would be realized by DD during the course of telecast shall be kept in a separate account and shall not be dealt with until further order. Ultimately the subject case went to the Apex Court that delivered the historic judgment setting down the laws and right of telecast of matches upholding the contentions of CAB. In course of hearing DD admitted having received a sum of Rs. 96,83,000/- (previous year Rs. 96,83,000/-) towards advertisement from telecast of HERO CUP Matches. The Apex Court also directed the Kolkata High Court to apportion the said amount between CAB and DD after hearing the parties. CAB has since filed application in the Kolkata High Court claiming 80% of the revenue received and/or realized by DD together with interest @18% per annum as well as penal interest @6% per annum and costs. Pending verdict of Hon'ble High Court, no income has been recognized in this connection.

Yr Rs. 50,28,787/-), which amount had been booked as expenditure in the accounts. Yr.7,71,213/-) due from the contractor has been accounted for as advance considered good. Neither any provision has been made for the difference of bill amount.
