DR. B.C. ROY CLUB HOUSE, EDEN GARDENS, KOLKATA-700 021

Date: October 25, 2025

Job Advertisement: Senior Engineer (Project & Maintenance)

Organization: The Cricket Association of Bengal (CAB)

Location: Eden Gardens, Kolkata

Position: Senior Engineer (Project & Maintenance)

Reports To: Hony. Secretary, CAB

Contract Type: Full-Time

About the Role

The **Senior Engineer** will be responsible for overseeing, maintaining, and enhancing the structural integrity and safety of CAB's cricketing venues, practice facilities and supporting infrastructure. The role involves planning, inspection, design evaluation, and supervision of repair, renovation and construction projects to ensure compliance with engineering standards and safety norms.

Key Responsibilities

- Conduct detailed assessments and inspections sheets with photographs of existing stadiums and cricket facilities including Eden Gardens and associated venues.
- Oversee maintenance, repair and renovation work related to structural and civil engineering.
- Make BOQ for works and rates according to ongoing Schedule of Rates of the State Govt. and CPWD.
- Coordinate with architects, contractors and consultants on ongoing and upcoming projects.
- Ensure all works comply with relevant safety codes, IS standards and area regulations.
- Prepare technical reports, tender documents and cost estimates for Engineering projects in line with National Highway, CPWD norms.
- Monitor project timelines, budgets and quality control during construction and maintenance.
- Check Bills of contractors and tally with works done at site.
- Advise CAB management on infrastructure upgrades, long-term facility planning and sustainability initiatives.
- Conduct risk assessments and recommend preventive maintenance measures through NABL certified testing houses & duly recommended by any IIT.
