About the Role

The Cricket Association of Bengal is seeking an exceptional **Director of Cricket** to lead our cricket operations and drive excellence across all levels of the game. This is a senior leadership position responsible for shaping the cricketing vision, building a world-class performance structure, and ensuring the sustained success of our teams and players. The successful candidate will bring strategic leadership, deep cricketing knowledge, and a passion for developing talent — from grassroots to elite performance.

Key Responsibilities

- Develop and deliver a long-term cricket strategy aligned with the organization's vision.
- Oversee all cricket programs, including player development, coaching structures and performance pathways.
- Lead player identification, development and succession planning at all levels.
- Oversee sports science, medical and analytics programs to maximize player performance and welfare.
- Collaborate with governing bodies and stakeholders to promote the growth of cricket.

About You

We are looking for a visionary leader with:

- Previous professional playing experience (10 Tests or ODIs/ 100 First Class Matches).
- Proven experience in cricket administration, coaching or high-performance management.
- Deep understanding of modern cricket strategy, player development and team dynamics.
- Experience managing elite teams and high-performing professionals.
- Strong leadership, communication and organizational skills.
- Advanced coaching qualification preferred.

Why Join Us

- Opportunity to shape the future of cricket within a leading organization.
- Work with elite talent and innovative cricket professionals.
- Competitive remuneration and benefits package.
- Chance to make a lasting impact on player development and team success.

How to Apply

Please submit your **CV and a cover letter** outlining your cricketing experience and leadership achievements to cab@bengalcricket.com by **22nd October 2025**. Please mention "Application for Director of Cricket" in the subject line.

Be part of shaping the next era of cricket excellence.
